Day for Life-Sunday 17th June: Second Collection

This year the Day for life will focus on all those who are suffering or have survived human trafficking and modern slavery. It provides an opportunity to pray, reflect, and to choose the ways in which action, as well as practical and emotional support can ensure the dignity of life is upheld at every stage in a person's life. The second collection enables the Church to fund the Anscombe Bioethics Centre, as well as projects which work to protect life at every stage and in every condition. Please take an information card as you leave the church.

Congratulations to our 24 young people from Christ the King and St Bede's who were confirmed on Friday evening. May the Lord continue to bless them as they continue their journey in faith.

Data Protection. Most of you will have heard that new legislation, which came into force on 25th May, requires all organisations to explain how they handle personal information. We are therefore advised to remind you that the Parish holds various personal data about its parishioners, which is generally used for the administration of the parish and does not go outside it. We aim to keep it securely. If personal data is given to us for an event or course, and we need to retain it after it has finished, we will seek your specific consent, as we will if data has to be shared with any other organisation. So you may hear from the organisers of any rotas you belong to. Information about how we handle your data, and your rights, is in our Privacy Notice which is available on our website and in the Parish Office on request. The Diocesan Data Protection Policy and other documents can be seen at www.northamptondiocese.org/data.
